DETAILED ACTION

Applicant's response of 11/14/2005 is acknowledged. Applicant's arguments over the prior art of record have been considered and found persuasive. In view of the recitation of new prior art, the present action is made NON-FINAL.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-10 are rejected under 35 U.S.C. 102(b) as being anticipated by Viriyakosol et al. (J Biol Chem. 2001 Oct 12;276(41):38044-51. Epub 2001 Aug 10).

Viriyakosol et al. teach a purified complex comprising endotoxin bound to MD-2, wherein the endotoxin is a wild-type, gram-negative bacterial endotoxin of E. Coli, possessing a molecular weight of about 25,000, single molecules of each compound, which is water soluble and binds and produces TLR4-dependent activation of CHO cells (see abstract, entire document).

Claim Objections

Claims 11-19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The prior art of record does not reasonably teach or suggest a complex of endotoxin bound to MD-2 less than 1 nM, about 30 pM, or an

Art Unit: 1654

endotoxin that is hexa-acylated, under-acylated, tetra-acylated, or penta-acylated (claims 11-17). Additionally, the prior art of record only taught a complex of an endotoxin bound to MD-2 (and the administration of the compounds themselves individually or the bound complex); the prior art of record did not reasonably teach or suggest a "composition" of the same or a composition further comprising a pharmaceutically acceptable carrier (claims 18-19).

No claims are allowed.
